2* MOLLE Quick Clip

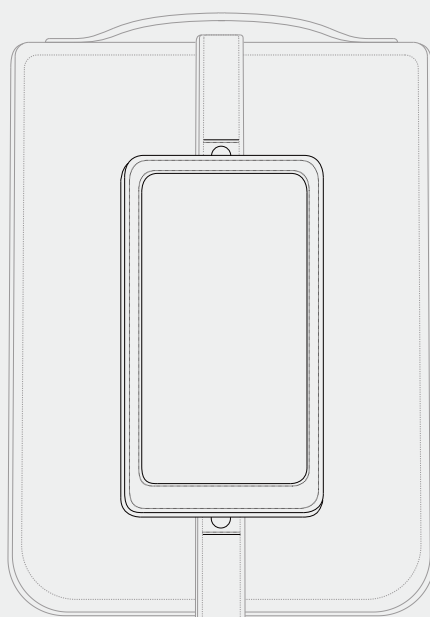

ASSEMBLY TO THE MOLLE SYSTEM

1 Holding the MOLLE Quick Clip with the buckles facing upwards, pass the clip through two webbing loops in the back of the phone holder and under the central strap of the tank bag, so the tabs on each end engage around the webbing loops. Repeat the process for the other clip, ensuring the phone holder is positioned between the two rivets in the tank bag strap.

2 Check that the phone holder is securely attached to the bag before operating the vehicle.
